If you are planning a marketing survey/ product launch or sales campaign in the UK and Ireland, allow us to present a proposal for your consideration or quote you for your specific requirements.

Fully supported from our office based in southern England, we can assist your efforts on the ground to avoid problems and make the right contacts to start your business correctly.

Some of the business areas that we have worked to date:

- Importation of cut flowers and market distribution
- Planning and setup of new glasshouse nurseries
- Full company administration including budgeting and accounts preparation to audit level.
- Organisation of trade shows and exhibitions.
- Planning conferences and annual general meetings.
- Technical report writing and crop analysis.
- Over 20 years experience in horticulture business in the UK
